NEWSLETTER

January- February
2017

Haere mai and Haere ra:

We welcome Henry, Louis, Olivia MH, Emilia and JJ Jackson Junior to our Bright Beginnings family. We say goodbye to Shoin and Charlie, our five year old superstars who will be off to primary school. We will surely miss you!

Celebration dates:

We start our 2017 year celebration with the Chinese New Year on 3rd of February. We would like to request all of our parents to please send their children wearing Red coloured clothing or a traditional Chinese dress. A big thank you to Jiang Yan and family who came to our centre to do some baking with the children, making traditional rice balls. We will be celebrating Waitangi Day on 7th of February 2017.

Parent Teacher Evening:

We are going to have our Parent Teacher Evening on 8th of March 2017 from 5:30pm - 7:30 pm. Details will follow.

Trip:

We will be having our first Trip on 10th March, 2017 to Kelly Tarlton's Sea Life Aquarium. Please keep this day free! De-

tails of the trip and permission forms will be provided closer to the date. We will be looking for some parent helpers, RSVP to secure your space.

Relievers:

We are currently looking for some relievers having ECE back ground. Please let us know if you know some who is interested to work as a reliever. Thanks in advance.

Wrapping up with current Project:

Soon we will be wrapping up with our current project, "Learning through Discovery" and will be coming up with a new project. At the moment we are still observing what the children's actual interests are. All parents please do share your observations and give your feedback to the teachers about your child.

Health and Safety concern:

Dear parents/ Whānau we would like to request all parents to

please remove or cut off any strings and cords on their child(ren)'s clothing. Children can be strangled and entrapped in the most unexpected of ways and we would like your help to ensure that we maintain a safe environment for all children.

Bokashi Bin:

We are lucky that Nikita has bought a Bokashi bin for the centre. We have already started using it and children are so good they know what kind of food goes into the Bokashi bin. Ultimately we have plan to use it as compost for our garden.

Home stories:

Here at Bright Beginnings Early Learning Centre, we work in partnership together with families and encourage the sharing of special moments in their child's life. If you have anything that you would like to share with us, or for your child to share with the class, please feel free to email us at glendowie@bbelc.co.nz
