Christmas Celebrations:

The Parents and the Whanau came together to celebrate Christmas with gusto at the Centre. Along with their children, they all took part in various interesting experiences. It was a great opportunity to mingle with them and strengthen those special bonds.

Thank you all for making the Christmas Celebration a huge success.

Programs:

We welcome back our children after the Christmas break. They are very excited to share their experiences from holidays. We are also currently observing their interest and providing opportunities to provoke their thinking.

We invite parents to share with us those memorable moments, and experiences that they had with their children over the Christmas break. It would be great to share them with the teachers and peer. You can email them to us.
