## Haere mai:

Welcome Jace. We look forward to learning more about you!

## Haere Rā:

We sadly say goodbye to Felix. You will be missed!

## Welcome Back:

Happy New Year and welcome back everyone! We look forward to another exciting year ahead with you all, having heaps of new experiences and learning a lot along the way.

## Umbrella Concept for 2020:

This year the value of 'Relationship' will be our umbrella concept across all the BBELC centres. We will be celebrating various events focussing on this value and recognising its importance. Waitangi presents a wonderful opportunity to begin exploring our bicultural history. We will also be focussing on strong and meaningful relationships with ourselves, our community and whānau.

## Current Project:

Over the past couple of months, the children, teachers and whānau have been participating in the current project 'Healthy Bodies, Healthy Minds'. We have noticed a huge difference in our children's eating habits and their overall health and wellbeing. In order to celebrate this milestone, we are planning to have a 'Big Heart Day' on the 19th of February.

## Summer heat:

We love to get the children involved in different types of water play during hot summer days. Please remember to pack togs, towel and a swim bag for your children so that they can take part in water play games.

## Parent/Teacher Evening:

On Tuesday 10th March we have our annual parent teacher evening. We will have activities around our Healthy Heart Programme. We will also be conducting our parent/teacher interviews for which we will organise timeslots closer to the date. We hope you can make it. We look forward to seeing you there.

## New Enrolments:

You may start seeing some new faces around as we excitingly have a number of new enrolments starting over the next few months. We look forward to getting to know them all and having them as a part of our centre's family.
