### Haere mai:

Welcome Summer and Kendrick. We look forward to learning more about you and your families!

### Haere Rā:

We sadly say goodbye to Kristine. You will be missed!

### Staff Changes:

Our dear Kristine has been offered a new opportunity to continue growing in her career at our up and coming sister branch, Bright Beginnings Early Learning Centre, Howick. Although this is a wonderful opportunity for her, it does sadly mean we have had to say goodbye. Her last day was on Friday the 18th of September.

To complete our team, we have welcomed a new member Yanjuan Li. She is a qualified educator and looks forward to getting to know the children, families and her new staff members.

### COVID-19 Alert Level 2:

Under level 2, we are no longer required to take temperatures upon arrival. You can now enter the centre safely but we do encourage the use of the hand sanitizer located above the sign-in sheet. We would like to thank all of our families for their patience with us during this time. We understand that the contract tracing requirements have caused difficulty at times but we appreciate your participation. We also encourage all to download the NZ COVID Tracer app and use it upon each visit. Please ensure you are signing your children in and out each day as well.

### Trips and Gatherings:

Unfortunately due to the current circumstances, all trips and gatherings are still on hold. We hope to resume with these as early as possible. Thank you for understanding.

### Sunhats:

With the warmer days quickly approaching please ensure to bring in a named hat for your child to leave at the centre. We provide sun block for all children however, if your child has any skin sensitivities or allergies we request you to please supply your own in a named bottle for your child.

### Bottles:

Please bring a bottle for your child to keep at the centre. We strongly encourage these to be taken home every Friday for a wash to be brought back to the centre, clean and fresh for the week ahead.

### Centre Facebook Page:
