Haere mai:

Welcome , we look forward to learning more about you and your families!

Haere Rā:

We sadly say our goodbye to Sophia D, Kade, Sophia Kate, Augusto and Arthur. We wish you the best on your next endeavours.

You will be sorely missed!

Welcome Back:

We would like to extend a warm welcome back to the centre to all of our families. Year 2021 is a fresh year, a new beginning and another opportunity for us to continue creating more wonderful memories together. We look forward to seeing what is in store for us all.

Centre Trip:

For our up and coming trip on Friday the 12th of February, we will be heading to a strawberry farm where the children will have the opportunity to pick their own strawberries, feed some farm animals and enjoy playing on the 'Tractor' playground. We will be sending home permission slips closer to the date and will also be kindly requesting parent helpers to join us on this day.

Umbrella Concept:

Following the year we have had, we thought that now would be a wonderful time for children to explore the concept of identity. This relates closely to our previous umbrella concept of 'Relationships' through exploring our own identities and the connections with oneself.

Storypark

Bright Beginnings Early Learning Centre is excited to inform that we are implementing a secure, private online platform called Storypark to ensure that your child receives the best support possible and that you are involved and up-to-date with your child's development.

You can choose to add your own stories or leave comments and feedback for children and our teaching team. You can also choose to share these stories with family members if you wish!
